INVITATION 978

**LAST CALL**

**Rotterdam/Madrid, June 26, 2014 Subject: Archiprix International Madrid 2015**

Dear Madam / Sir,

With great pleasure we invite you to take part in our seventh edition, the Archiprix International Madrid 2015! To participate you have to select the best graduation project of your faculty completed after July 1, 2012 and invite the designer(s) to submit the project to us. See below for the steps you have to take. Archiprix International is a biennial event that presents the worlds' best graduation projects selected by universities and colleges teaching architecture, urban design and landscape architecture across the world. All projects are presented on our website and will be included in a major exhibition. A book cataloguing the projects will also be published. The web site [www.archiprix.org](http://www.archiprix.org) offers the latest news, a survey of all submitted projects of all editions, with links to the web sites of participating schools. An international jury will assess all entries and in May 2015 the HunterDouglas Awards will be presented to the winners. All the designers of the submitted graduation projects can apply to participate the Archiprix International Workshop in Madrid in the week before the award ceremony. The Archiprix International 2015 is organised by Archiprix International, Rotterdam in cooperation with the Escuela Técnica Superior de Arquitectura (ETSAM), Universidad Politécnica de Madrid.

## Steps

1. The Chair of University of Granada Escuela Técnica Superior de Arquitectura de Granada signs the reply form included with this letter. Please check the address details of the school and email (or fax) the form back to us.
2. Select the best graduation project from your faculty.
3. Give the designer(s) of this graduation project the application form.
4. The designer uploads his/her details and a digital version of the project to the website.
5. The designer submits the project by post to Madrid or uses a print service in Madrid. The submission must contain the following: 6 panels, size A2 vertical (420 mm wide x 594 mm high x 3 to 10 mm thick).

**Registration deadline: September 1 2014; submission from September 5 till September 30 2014.**

We will keep in touch with your faculty via e-mail. Further information and background details about Archiprix International can be found at the web site [www.archiprix.org](http://www.archiprix.org). We also invite representatives of participating schools to the Archiprix International Award ceremony. The books Archiprix International 2001/2003, 2005, 2007, 2009, 2011 and 2013 are available and can be ordered online at [www.nai010.nl](http://www.nai010.nl).

We look forward to receiving the best graduation project of your faculty.

Yours sincerely,  
Henk van der Veen  
(director of Archiprix International)

Luis Maldonado Ramos  
(director of the Escuela Técnica Superior de  
Arquitectura Madrid)

To be completed by the chair of the faculty.
